NEXT STEPS

- Direct LAFCO staff to work with the County Executive Office to determine if the Board of Supervisors has interest in adopting a policy or directive clarifying the County's future plans for providing services to Rossmoor and Sunset Beach.
- Direct LAFCO staff to work with the County Executive Office and County Budget Office to determine if the County is willing to develop separate budgets for Sunset Beach and Rossmoor to more accurately track service costs in these areas.
- Direct staff to work with CALAFCO and the County Executive Office on legislation reform that would provide fiscal incentives for cities to annex unincorporated areas.
- Direct LAFCO staff to assist the Stakeholder Working Group members in establishing an Ad Hoc Officials Group, as recommended in the SWG Vision Plan, to provide an ongoing forum for agencies and residents within the MSR study area to continue to explore governance and fiscal options for their community. LAFCO staff will assist in setting up the initial meeting, but will not be participating members of this group.
- Direct LAFCO staff to conduct sphere of influence reviews of all of the agencies within the MSR study area and the unincorporated communities of Sunset Beach and Rossmoor.
